The text of this application may also be viewed at <http://www.ferc.fed.us/online/rims.htm> (call 202-208-2222 for help). Any initial questions regarding the application should be directed to Lee S. Baskin, a company official, at the above address or by phone at (713) 230-7501.

Coral Mexico seeks authority to site, construct, operate, maintain, and connect pipeline facilities at the International Boundary between the United States and Mexico in Hidalgo County, Texas for purposes of importing natural gas into the United States from Mexico and exporting gas from the United States to Mexico. The proposed facilities will consist of about 1,375 feet of 24-inch pipe and will connect existing and new natural gas pipeline facilities owned, or to be owned, by Pemex Gas y Petroquímica Basica in Mexico with about 97 miles of new intrastate pipeline that will extend from the International Boundary in Hidalgo County northward to Kleburg County, Texas. The proposed facilities will have a design capacity of about 300,000 MMcf/d.

Any person desiring to be heard or to make any protest with reference to said application should on or before July 19, 1999 file with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure, 18 CFR 385.211 or 385.214, and the Commission's Regulations under the Natural Gas Act, 18 CFR 157.10. All protests filed with the Commission will be considered by it in determining the appropriate action to be taken, but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules of Practice and Procedure.

Take further notice that, pursuant to the authority contained in and subject to jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 3 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application if no motion to intervene is filed within the time required herein, if the Commission on its own review of the matter finds that a grant of the certificate is required by the public

convenience and necessity. If a motion for leave to intervene is timely filed, or if the Commission on its own motion believes that a formal hearing is required, further notice of such hearing will be duly given. Under the procedure herein provided for, unless otherwise advised, it will be unnecessary for Coral Mexico to appear or be represented at the hearing.

[Docket No. RP99-282-001]

Reliant Energy Gas Transmission Company; Notice of Proposed Changes in FERC Gas Tariff and Shorten Protest Date

June 28, 1999.

Take notice that on June 25, 1999, Reliant Energy Gas Transmission Company (REGT) tendered for filing tariff sheets in compliance with the Commission's June 16, 1999 "Order Approving Tariff Filing, Subject to Conditions," 87 FERC ¶ 61,298, which REGT desires to take effect July 1, 1999.

REGT states that these tariff sheets would institute Rate Schedule HFT to provide hourly firm transportation service.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Section 385.211 of the Commission's rules and Regulations. All such protests must be filed on or before July 2, 1999. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
